Finding Senior Care After Discharge

A Guide for Families After a Hospital or Rehabilitation Stay

Whether you are returning home with support services or transitioning to a new care setting, **longtermcarefinder.com** can help you explore care options and connect directly with care providers.

Independent Senior Care Directory | Free To Use | Families Contact Providers Directly

Step 1 Determine the Next Level of Care Needed

After discharge, care needs often fall into one of two categories:

Returning Home with Support

You may benefit from services such as:

- In-Home Care
- Home Health Care
- Hospice Care (when appropriate)

Moving to a Senior Care Setting

You may benefit from services such as:

- Assisted Living
- Residential Care Homes
- Memory Care
- Hospice Care
- Nursing Homes / Skilled Nursing Facilities

Step 2 Visit longtermcarefinder.com

Use the search tools to:

- ✓ Search local senior care providers
- ✓ Explore different types of senior care
- ✓ Compare available options
- ✓ View provider information
- ✓ Connect directly with providers

Step 3 Contact Providers Directly

Once you identify potential care options:

- ✓ Contact providers directly
- ✓ Ask questions about services, cost and availability
- ✓ Schedule tours when appropriate
- ✓ Discuss admission requirements
- ✓ Compare options before making a decision
